

Barnet EHE Spend FOI Response January 2013

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

Response

Elective Home Education is part of the work done by an Advisory Teacher within the High Incidence Support Team. It is not possible to itemise costs. Time is allocated to ensure the work is done as and when it is required. We do not have a record of the total spend on the provision of services for home educated children and young people.
