

Please provide the following information:

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

There is no specific budget for home education support. Where a child has a statement of SEN the budget lies within the SEN budgets. Where a child does not have a statement services respond as and where necessary. If any additional funding is required this is made available via the Education Inclusion Service

There is no discrete budget for elective home education.
