A2 a) Pupils in Bolton do not generally have access to EP services once they have undergone stat assessment unless EP services are bought in by the school so EHE pupils wouldn't access EP services either.

Q3 Does the authority have a specific policy with regard to provision of services and support listed in Part 3 of the statement when a child with a statement of SEN is home educated? If yes, could you please summarise the policy, for example if the authority does not make provision available when a child is home educated

A3 Bolton LA does not make provision specified in Part 3 of the statement when they are EHE as the parents has then elected to make educational provision themselves.
