

## Bromley EHE Location FOI Response January 2013

1/where home education currently sits in your authority

Elective home education currently sits within the Home and Hospital Tuition Service, which is part of the Behaviour Service

2/which line in the s251 table includes an allocation for home education services within the "other education and community budget" for example Education Welfare, School Improvement, Parent Partnership or Other

For 2012/13, this was shown in the 'Education out of School' line. For 2013/14, this line has been deleted from the draft s251 return. As this will remain part of the Schools Budget, this will most likely go on line 'Other AP provision' in the High Needs Budget, however as the return and guidance haven't yet been finalised, this may change

3/the forward budget sum allocated to home education service and support

The total estimated amount in the 2013/14 budget is currently £26,300, however please note that this is still subject to approval by Full Council in February.
