

Cheshire East EHE Spend FOI Response January 2013

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

This figure is not specifically available. The EHE officer is on Soulbury 5-8 scale. His work and role includes other aspects unrelated to EHE (c. 25%). Time is also spent with organisations and families exploring options available, which may or may not result in a family choosing EHE or returning/beginning school.

There is small admin support 10% of JNC grade 4

Excluding staffing and admin/printing costs, the total spend on specific provision for EHE services is £0. As part of the LA provision the EHE community are informed of events and services which are universally available. This has included Community Sports events and Arts events amongst other things. In addition the EHE community may also access the School Library Service for free.
