

Coventry EHE Spend FOI Response February 2013

“Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people”.

The budget is in the order of £14,000 but it is not a discrete amount. The work is undertaken by education officers and administrative staff who have a range of duties. There is not a separate budget for home education services. The SEN Management team deals with this and the work equates to about £14k.
