Request

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

**Devon County Council's response**

**The total spend by Devon County Council on the provision of services for Electively Home Educated students in Devon for the academic year 2011-12 was £126, 647.**

**This is inclusive of all staff and administration costs, and the provision of services by a team of specialist professionals. This service is commissioned by Devon County Council and delivered by Babcock LDP and therefore Devon County Council does not hold a breakdown of spending.**
