

Durham EHE Spend FOI Response January 2013

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

Durham County Council do not provide any services for children electively home educated.

The total allocation of staff costs for the provision of services for home educated children was £780,467 (including travel costs of £37,840) The total of administrative/secretarial support costs was £17,389. The total spend on provision of services for home educated children and young people for 2011/2012 was £797,856. These figures do not include a separate amount for elective home education but are for all children who are out of school.
