

Hartlepool EHE Location FOI Response January 2013

1/where home education currently sits in your authority— Home education currently sits within the performance & Achievement division of Child & Adult Services

2/which line in the s251 table includes an allocation for home education services within the "other education and community budget" for example Education Welfare, School Improvement, Parent Partnership or Other — no single line includes a specific allocation for home education

3/the forward budget sum allocated to home education service and support— it is not possible to disaggregate this — we are a small authority and posts have multiple responsibilities.
