

## **Kensington Chelsea EHE Spend FOI Response January 2013**

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

**The arrangements within Kensington and Chelsea are that this responsibility is undertaken by senior officers in School Admissions, Education Welfare Service and the School Improvement Service. Elective Home Education is needs led and the three service areas respond to each case as required. There is no dedicated budget area for Elective Home Education therefore it is only possible to provide an approximate breakdown of staffing costs. Any costs incurred to elect to educate a child at home at home would be met by the parent(s).**

**Approximate staffing costs for 2011/12 from the Admissions Service is £1500**

**Approximate staffing costs for 2011/12 from the Education Welfare Service and School Improvement Service is £5 - 7k**
