

## Milton Keynes EHE Spend FOI Response January 2013

Please could you tell me the amount spent on home education services for the academic year 2011-12? I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

*The cost of providing home education services in 2011 – 12 is judged to be £12, 150. This is an estimate since this was a shared responsibility for staff in a central team as opposed to a dedicated team for home education.*
