Request

Please could you tell me the amount spent on home education services for the academic year 2011-12.

I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

Response

The total service expenditure on home education services for the academic year 2011-2012 was £108,000. This relates to staffing costs.

We are able to breakdown this amount further by advising a total of £68,300 was through funding an advisory teacher £68,300 position with the remaining £39,700 on administrative staffing costs.

If you require any further information or are not happy with our response please do not hesitate to contact a member of our team on (020) 3373 7912 or email us at information.governance@newham.gov.uk.
