

Request:

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could

1. itemise staff costs,
2. administrative/secretarial support costs, and
3. also the total spend on provision of services for home educated children and young people.

Response:

The Council does not hold this information in the format requested. Support for elective home education is provided by teachers and education welfare officers who also support other learners and the costs are not separately recorded.
