

Electively Home Educated (EHE) free GCSE courses at Lewisham Southwark College.

Open meeting: November 30th 2017 4 – 6 pm, Lewisham Way Campus SE4 1UT

Lewisham Southwark College will be hosting an open meeting to talk about the free GCSE courses it is running for home educated young people aged 14 – 18.

2017-18 is the first year of these classes and the current year is fully subscribed, so this is for classes starting in September 2018.

As a home educated student, you can only study part time (in order to retain EHE status), this translates as up to three of the four subjects we are offering at GCSE level.

1. English language
2. Maths
3. Combined Science (2 GCSES)
4. ICT

The open meeting is an opportunity for you to visit the college, meet us, ask questions and share suggestions, and also for us to present our EHE courses.

Please note, your child must be 14 yrs old by September 1st 2018 to enrol for the 2018 – 19 courses.

Outside our free courses, we can also offer exam support and registration for foreign language GCSEs, and we are an exam centre for external candidates.

Please let me know via email if you plan to come to the meeting. We will collect you from the Lewisham Way Campus reception at 4pm.

I and the EHE team are looking forward to meeting you.

Kind regards,

Juliette Grassby Lewis

Lecturer - ESOL | Lewisham Southwark College
