

St Helens EHE Spend FOI Response January 2012

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

It is not possible to itemise spending on home education services terms of time and salary as you have requested. A variety of officers are involved with the EHE process including School Improvement Advisers and Education Welfare Officers. In addition currently none of the parents are registered as EHE receive any financial support from the Authority.
