

## Stockport EHE Spend FOI Response January 2013

Pupils educated at home can be identified under two distinct separate headings:  
Elective Home Education (EHE); and  
Education at home due to sickness/illness

The Local Authority has very differing roles in the provision of education in such matters. The LA has a very minimal role in any family opting for the EHE route for their child, however the LA has a statutory requirement to provide a curriculum based education to those pupils unable to attend school due to sickness/illness.

The table below provides the summary information for the 2011/12 year as requested for both areas:
