

## **Suffolk EHE Spend FOI Response January 2013**

Please could you tell me the amount spent on home education services for the academic year 2011-12? I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

### **Response:**

There are 3 x 0.5fte EHE consultants total salary cost for the three is £62,259 most of the consultants do their own admin, although they do use a little business support in the area offices, there is no formal resources allocation for their business support.

Please note, Suffolk County Council are not providers of Home education Services. We have 1.5FTE equivalent EHE Consultants to meet the LA duties with regard to home education. This is not a service to home educating families.
