

Trafford EHE Spend FOI Response January 2013

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

Trafford Council is unable to provide the information requested below as there is no dedicated budget for home education support. The work to support home educated children is part of the wider work that the School Improvement Service undertakes, and as such it is not possible to separate the money spent on home education support.
