

Warrington EHE Spend FOI Response January 2013

1. Could you tell me the amount spent on home education services for the academic year 2011-12, itemising staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people?

The amount spent on staffing costs to support EHE was £15K. There was no expenditure on administrative or secretarial support costs or any direct expenditure on provision of services for home educated children and young people; however, the LA has commissioned services that have supported EHE these services have had a financial cost of £3K.

This amount will change next year as designated with careers staff providing additional support to EHE children/young people.
