

West Berkshire EHE Spend FOI Response January 2013

It will not be possible to supply an exact figure for the amount spent on Elective Home Education for the years 2011/12.

Because this information is not held in a way which will allow for easy extraction it is our view that this would exceed the 'appropriate limit' (18 hours or £450 of staff time) and therefore this information is exempt under Section 12 of The Freedom of Information Act 2000 and a copy of the exemption is attached.

However, the total spend would include the cost of the EHE Monitoring Teacher post and administration- £10,200 approximately

It would also include the cost of time spent by Education Welfare Officers, Special Educational Needs Assessment and the Connexions service, details of which are not itemised.
