Dear Ms Nicholson

Freedom of Information

Please see below the response to your enquiry under the Freedom of Information Act received on 3rd January 2013.

Please could you tell me the amount spent on home education services for the academic year 2011-12. I would be grateful if you could itemise staff costs, administrative/secretarial support costs, and also the total spend on provision of services for home educated children and young people.

Spend on home education services for 11/12 was approximately £16k

Unfortunately we can not break this figure down into staff costs, administrative/secretarial support costs etc., as we do not record the information in such a way that would enable us to answer this.

Yours sincerely

Kay Robinson
